Good Afternoon Carmen:

As per our phone call this morning, Dilshad Perera (copied) is the assigned On-Scene Coordinator to Holy Trinity Cemetery. You calling me was good timing since we met with our management yesterday to propose next steps. I have attached figures/maps we have discussed. Once Dilshad finalizes his next steps, the property owners/operators will be informed. I know that you are concerned with public perception as well. As you know, Mike Basile is our Public Affairs Official for this site. In our phone conversation a few weeks ago with Lyndsey, we spoke about putting out an information document for at least the neighbors surrounding the cemetery property. Dilshad will be able to coordinate those efforts with Mike B. and your public affairs specialist.

Below is the EPA and property owner contact info.
